## Chapter Incentive Program

Your Chapters are not unlike our national organization ... we all continually seek new non-dues revenue opportunities. Well, here are some for you!

You can earn \$25 for each new Candidate member recruited, each new designee or candidate member reinstated. Credits are calculated on a quarterly basis and mailed the second week following the quarter close.

The caveat is that you **must use the current Candidate Application form posted on the Council Website in each instance** so we may ensure your Chapter receives proper credit. This Application form is also posted in the “Chapter Forms and Resources” section of the Website (under the “For Members” tab).

- You can simply have the prospect include your Chapter name on the top right of the Application Form (adjacent to the “NRDS I.D. #”) where this is ‘white space’. Or, you can include it on the applications you request from CRB Headquarters (e.g., use a sticker, write ...)
